

DATA ENQUIRY CHARGES FROM 1ST APRIL 2019

CBDC provides searches for species records, site boundaries and habitats throughout Cumbria. We charge for these services. The charge covers the cost of the time taken for the administration of the data enquiry and contributes towards the costs of supporting volunteer biological recording in Cumbria, collecting, collating and managing the biodiversity datasets for the county.

SPECIES SEARCH

STANDARD SPECIES SEARCH Invasive, Rare, Priority and Protected species ¹ Up to 2 km radius from a point Data provided as an Excel spreadsheet	£70.00 + VAT

Other Fees

PRIORITY SURCHARGE Fast-track service: usually 24 hours but contact us to confirm turn- around time.	20% of total enquiry charge
SUPPLEMENTARY CHARGES May apply, for example where the digitising of a significant site boundary is necessary, linear or other shaped searches. ⁵	From £45.00 + VAT
ABSENCE OF DATA DISCOUNT In the event of no data available in the search area a discount will be applied.	Minimum £25 + VAT
COMPLEX AND OR LARGE SITES Please contact the CBDC Data Officer who be able to discuss your enquiry further. CBDC will provide you with a quote bespoke to your data needs.	Variable

Charges will be confirmed before proceeding if a quote is requested on the search form.

Results will be provided within **10** working days of receipt of a completed search form (or confirmation to proceed if you have requested a quote). You will be contacted if circumstances mean we cannot meet this commitment.

Please complete a data request form (available at <http://www.cbdc.org.uk/data-services/data-for-planning-and-development/>) and send to info@cbdc.org.uk.

If you have any further queries please contact Dr El-Moustafa Eweda, CBDC Data Officer on 01228 618770 or email dataofficer@cbdc.org.uk.

⁴ Statutory site boundaries can be viewed/downloaded from the MAGIC website.

⁵ Boundary GIS (shp/tab) files are welcomed for complex sites.
