

From Seeds to Trees

Objective: Building on a session in November 2025, this session will explore tree growing in a tree nursery in more practical ways in an informal, relaxed format.

Venue and date

Growing Well Tree Nursery, Tebay Services Northbound on Friday 24th April 2026, 10:00-13:00

Trainer

Growing Well Tree Nursery Team

Rough guide to the day (programme subject to change)

Timing	Content	Learning
09:50 – 10:00	Arrival at Tebay ('Treebay') – Tebay Services Northbound	
10:00 – 10:15	Welcome and Introductions	Brief overview of the day and introductions.
10:15 – 11:00	Refresh on history of Treebay and overview of how seed is sourced, grown on and where trees are sent. Focus on importance of biosecurity.	Presentation of practices used at the tree nursery leading to an appreciation of the different processes used. Discussion of the approaches.
11:00 - 11:20	Break	
11:20 – 12:45	Nursery tour and practical experience – seed sowing, pricking out and potting on	Opportunities for hands-on experience of tree growing
12:45 – 13:00	Reflection and close	Key takeaways, information on further involvement.
