

Introduction to Birds

Objective: By the end of the session, attendees will be more confident in identifying a range of different birds and how different resources can help develop ID skills further.

Content: During the session we will cover:

- General overview of birds in Cumbria
- Common species, priority species, under-recorded species
- Species that can be more difficult to identify
- Resources to support bird ID and recording

Venue and date

Newbiggin Village Hall on Saturday 11 April 2026

Trainer

Martin Harris, CBDC Recoding Officer
